***Numbers, records, analysis***

Otherwise you are just guessing, not engaging in critical thinking

# How to recognize critical thinkers

They:

- Think beyond “what’s in front of them”
- Think cross-functionally (e.g., how does production impact finance? Or marketing?)
- Look at opportunity costs
- Seek all pertinent information to solve a problem
- Learn from their mistakes
- Get excited about sharing what they have learned
- Think “what is the best thing to do here”

# How to recognize critical thinkers: Are YOU one?

- Think beyond “what’s in front of you”
- Think cross-functionally (e.g., how does production impact finance? Or marketing?)
- Look at your opportunity costs
- Seek all pertinent information to solve a problem
- Learn from your, and your company’s, mistakes
- Get excited about sharing what you have learned
- Think “what is the best thing to do here”
