CIVIL ESTABLISHMENT
OF THE
EAST AFRICA PROTECTORATE
FOR THE YEAR
1912-1913.

Insert the several Establishments of Government arranged according to the classification in the Estimates, including every individual employed, with all the particulars specified in the several columns of the Return relative to the nature of their Duties, their Emoluments, Length of Service, etc. It is important that the full Christian Names should in every case be given.

Insert on the next leaf an alphabetical List of all the Officers, and the Page in which their Office is described.

Under "Remarks" should be explained the nature of the duties performed by those Officers, the designation of whose Office does not sufficiently explain the functions attached to them.

The names of permanent holders of offices alone are to be inserted in the columns. If an office has been filled during the year, or any portion of it, by an acting officer, the fact may be noted in the space for "Remarks."
