Mr. B. Bentley

This is a pity. Mr. Tully Christie
appeared to be quite keen on the app't. and
was anxious to make it clear that he was
not as old as he looked (His hair went white
at 16).

? inform him the G.O. MA reports that
he is not physically strong enough for service
in the C.A.P. and that the S.O.S. regrets
that the offer of app't as a Magistrate in
that Prot. must be withdrawn.

views as to strength but he would
have a good chance of being fit for service

Mr. Bottomley.

I can not say get you a good man. but I do not think that the Acting No. 1's statement that a man is too old at 35 for S.A. must go unchallenged, although we must accept the statement that Mr. Tully Christie is physically unfit?

Perhaps Mr. Fiddian should advise, but I hope that at least an unofficial letter will go to S. J. as about the age question. If his statement stands, then our age limit for legal agents is at once rendered non-commercial (the print says 40).

It did me know if you want a substitute.

- (1) We must get up the man?
- (2) Will he be long enough as proposed?

Mr. Bottomley

I asked Mr. Low about this on the telephone. He knew Mr. Tully - Christie was only 35, what he meant was that he was older than his age - older than most men of 35. He is suspicious about this. I think you had better see Mr. Fiddian & see what he says.

Vf. enclosed to P.S. Feb 20/15

Mr. Fiddian

Mr. Tully Christie called to see me yesterday & he wants to know whether the medical report is such as to render him ineligible for all Col. agents - e.g. W.T.

He protested rather against the whole thing: said that he had a good athletic record, which I believe is true, that he told the Med. about this & that the Med. had sent him away with the impression that he had been passed as fit - & so he went & bought kit & made various arrangements. I pointed out, as the S.A. Dept. had done a few minutes before, that this was unfortunate but that he had no ground for complaint, as he acted prematurely without getting C.O. confirmation of his selection.

I promised to write a letter to him.

Sir,

I have the honour to report that I have to-day examined Mr. G. Tully-Christie. In my opinion the Candidate is too old and not sufficiently strong for service as a Magistrate in the East Africa Protectorate. I would, therefore advise his rejection.

I have the honour to be

Sir

your obedient servant,

George C. Low
