Re: Machakos

I have replied to the
S.A.C.S. as a draft attached.

There are now three alternative
channels or rather possibilities:

- (1) Miss Norman 29002/15
- (2) The British Education
- (3) Any lady who may be induced
to apply to the B.O.E. as a result
of my letter to the Secy of the S.A.C.S.

Thus as far as the headmistress
is concerned matters are moving.

As regards the Asst. Master

Madam

I am directed
 by the Board Law to acc the
 dept from letter of June
 29th with reference to the
 vacancy in the Offt. of
 Headmaster of the
 European School Nairobi.
 In reply I am to inform
 you copies has declined
 of particulars of the
 post which has been
 issued by the Board
 of Education.

I am to request that
 you will inform Miss
 Marion Scott and say

Other intending Candidates
that they should make
application, as directed
in the last para
of the statement, to
the B.O.S.

If, before making
application, the applicant
would wish to be
furnished with further
information, he should
call upon the private
Secretary Colonial Office
between the hours of
3 and 5 on any
week day, except Sat-
urday etc.

and, but not of rates or
the similar outgroups.
The first class perhaps to
inform the State as provided

3. A selected candidate
who would be required to
sail as soon as possible, and
be paid half salary for the
portion of his contribution from
the State & full salary from
the date of his arrival at
the same.

4. The candidate would be
employed on probation for
3 years of the unexpired
period of his service here
with salary, he would be
employed in his old office
position & permanent staff
of the State. One year before
the expiration of office in
the State, he would have to
be given a letter of commendation

5. The first draft is signed

not only to be a student
in elementary subjects, particularly
291
Mathematics and Elementary
Science, but also to take a
share in the improvement of
primary schools in the present
life of the State. It is
essential that he should
possess the certificate of some
training college, & that he should
have had some previous
experience of teaching.

6. Before I can be
sure that the State
will be able to
take any more
advantages in the
way of a
teacher, I must
be assured that the
State will be able to
take any more
advantages in the
way of a
teacher.
