In further reference to our letter of the 25th instant we have to inform you that we have to-day heard from the Company's Solicitors that the Board Meeting of the Company fixed for to-morrow for the purpose of executing these two Leases has been unavoidably postponed owing to the indisposition of Lord Cobham one of the Directors of the Company. We have accordingly made the necessary arrangements with Somerset House to avoid any difficulty arising with regard to the stamping of the documents, and have also informed the Company's Solicitors that another Board Meeting must be called as early as possible, as it is necessary that this matter should be completed at the earliest possible date.

We are, Sir,

Your obedient Servants,

The Under Secretary of State for the Colonies.
