Asst. Engineers for Telegraph Dept.

Sends letter fr. Cons. Engin. Submitting name
of H. Meggitt for appl. Encloses appl. form
recd. from Mr. Meggitt. & suggests refer to for.

W. Butler
Mr. B. Secretary

The Gov. originally

asked for 3 Asst. Tel. Engineers (13453/16);
we were eventually able to secure one
(Mr. Arland) on £300 - £15 - £400, and
the Gov. was authorized to obtain the
two others, if possible, from S. Africa.
We don't know how he got on.

As Meggitt is apparently
a good man, & is disqualifed physically
for military service though passed by

D. B. Blythe as fit for this post in the
E.A.P. we might telegraph Gov.
