WHITEHALL,

LONDON, S.W.

21st December, 1914.

Sir,

I have the honour to acknowledge the receipt of your letter
of the 18th instant, and I beg that my thanks may be tendered
to the Secretary of State for the Colonies for forwarding to me a
copy of the interesting correspondence which was enclosed in it
and for his offer to permit me to read the report of the Governor
of the East African Protectorate when it reaches the Colonial
Office.

In answer to the courteous inquiry with which your letter
concludes, I desire to say that, in the circumstances which have
arisen, there is no such pressure for obtaining the information
which I sought as to make it necessary to ask for it by telegram

I have the honour to be, Sir,

Your most obedient servant,

Under Secretary of State,
Colonial Office.
