SITUATION IN JUBALAND

Last previous Paper.

6060

*47. Major Baring.—To ask the Secretary of State for the Colonies, whether he has any information to give the House as to military operations in the Jubaland province of British East Africa. [Tuesday 24th February.]

Mr G. Ziddler

? Reply in Append

The Mascher tribe in the extreme North East district of the Protectorate have by their persistently aggressive attitude towards the adjoining tribes created great unrest & on the strong recommendation of the Governor, I have authorized steps to be taken for their disarmament. The present position is somewhat obscure & I am awaiting further information for which I have asked
