*Order of 12/12  
6/12/17*

Several despatches (of appropriate date) have been outstuffed by the mail which arrived on Dec. 3<sup>rd</sup>. We have no reason to suppose that they are lost. We have no library or Gazette copies of the Ordinance.

~~We should probably have telegraphed to the O.A.G. for his views on the case, but first I think we ought to get more info. - i.e. what Mr Guigniony's present business at Mombasa is, and why it will be stopped if he is unable to get land on which to erect a soap factory.~~
