My Lord

With reference to Your Lordship's Circular despatch of April 30th, respecting the acquisition of landed property by aliens, I have the honour to state that the only law on the subject in force in this Protectorate is the Alienation of Immoveable Property Restriction Ordinance 1917, of which I enclose a copy. I understand however that it is not intended that this Ordinance should remain on the Statute Book after the conclusion of peace.

There are various local restrictions on the acquisition and occupation of landed property by Asiatics, under which category Japanese are presumably included, as distinct from Aliens. I am not certain whether this aspect of the question comes within the scope of Your Lordship's enquiry. In case it does, I enclose also a copy of the Crown Lands Ordinance 1915 which gives the Governor certain powers of veto on transfers between parties belonging to different races.

I have the honour to be,

Your Lordship's  
humble, obedient servant,

GOVERNOR.

My Lord,

540

With reference to Your Lordship's Circular Despatch of April 30th, respecting the acquisition of landed property by aliens, I have the honour to state that the only law in force in this Protectorate is the Alienation of Immoveable Property Restriction Ordinance 1915, of which I enclose a copy. I understand that this ordinance should remain on the Statute Book after the conclusion of peace.

2. There are no local restrictions on the acquisition now of land or property by Asiatics, under the Aliens Act, presumably in view of the fact that aliens cannot certain numbers of acres of land in common with your subjects. An enquiry will be made by your Lordship's inquiry. In case it is necessary to give the Governor certain powers of veto on transfers between parties belonging to different races.

I have the honour to be,

My Lord,

Yours very obediently,

Humble servant.
