Mr G. S. Mächling

I have been informed that you may
 wish to inform regarding the following
 CV of 16/4 (21290/19) enclosed a copy
 of a telegram from the Government of the E.A.P.
 giving classified figures of military
 expenditure for the Dec^r & 1918.
 The CV refers to a figure
 of 27 x/100 (1774/11). The receipt
 number is 1013 in the 1918
 Can you kindly tell me
 if these figures are being accepted

figures for the last Q^r of the year
appear when the needed statement
would not result in any way
tend to secure the inclusion of the
in the "Honey" part of the
the other case.

We have not yet received
the needed statement of expenditure
in the 1917/18, which should
have reached us a considerable
time ago - we have written
as to this in L^{tr} of 14 Apr
1918 (545-925-1)

Yours truly
A. C. [unclear]

RE 29 MAY 19

Mr. Bottomley,

Following the precedent of the ^{last} two years, I forward herewith in triplicate, in advance of the D.C.A's ^{formal} ~~General~~ Report, copies of audited statements of Military Expenditure in East Africa for the period ended 31st March 1918.

I understand that you ~~will~~ send two additional copies for transmission to the W. S. and Treasury respectively. Mr Stephenson is not expected to return in England till the middle of July and I presume that the submission of his formal report will have to stand over till his return.
