(a) one Assistant Collector. (b) two Preventive Officers.

Handwritten notes in left margin:  
A note from the...  
to the Bd of Customs...  
Subsequent Paper.

*Mr. Collier*

As regards (a) the circular in 34258/13 holds good except that I think it should be 2 1/2 days instead of 3 days

As regards (b) I have found 20046/16 which contains a paper of particulars (that particular vacancy was filled locally in the next subsequent paper). The appl is a second class one. Otherwise the general conditions are the same as (a).

Ask Bd of Customs whether they can secure two men, telling them that circular in 34258/13 holds as to (a) and making app p in 20046/16 as to (b) and stating that second class passages.

Mr. Bottomley

~~In addition to altering 3 to 2 the following~~  
alterations seem necessary in the memo, on 36258/13:

Maximum of salary of Chief of Customs £500 instead of £700.

Number of assistants 4 instead of 3.

Add after Collector of Customs at Mombasa

"4 European Revenue Officers £150-10-£250, plus

£10 uniform allowance."

Add to para 5 "Pensions in respect of Imperial and  
Protectorate service are calculated separately in  
accordance with the provisions of No 9 of the Rules of  
the 31<sup>st</sup> of July 1911 framed under section 7(1) of the  
Superannuation Act 1909." Add for

"Superannuation Act of 1859" in the same para  
substitute "Superannuation Acts of 1859 and 1909."

I think 3 days had better stand in para 7.

3 days is provided in the paper of particulars on

20446/13. It is not due to the fact that the

Customs Officers serve in an unhealthy station.

I think the Revenue Officer should have  
a £30 outfit allowance on the same conditions as

the others i.e. that it is refunded by instalments if  
the officer permanently joins the Protectorate service.

We should also inform Customs of the present  
rate of war bonus & that salaries in E.A. are under

consideration. It would probably be best if we drew up  
the draft form of circular here & sent it to Customs.
