

be addressed to him regarding  
his claims against the German Govt  
I think it should be noted that the  
files are in your name, and that  
you have been looking up the papers  
of 1917

and I am anxious to CA to pay him  
\$250 in respect of his journey home  
in the 1917

H.C. He sets £25 for passage home via  
the route of the canal and on the  
2nd of the canal then he had to  
pay for his own passage  
even the head tax and the  
cost of the passage  
I think the sum for  
the passage is  
more than the sum  
of £25
