G.L. N.C. 19/20

Mr. J.P. called; after satisfying
myself that he had not written
anybody of the civil Govt. at all
I got Mr. Beff's permission to call
he need not submit proofs. (He said he
would not, so do not do so)

RECEIVED
SCHOOL OFFICE

I have the Honour to inform that
I wish to publish a Report on
Antimalarial Work, of which
I am in charge in East Africa under
Army Medical Authorities
I have submitted the same to
Director of Medical Services
M.C. and he has informed me
that he wishes the same published in
R.A.M.C. Journal at an early
date

I also wish to publish an
Encomium of a paper dealing
with descriptions of West African
Blow-sucking Fish. This paper
has been accepted by the Editor
of the Annals and Magazine of
Natural History.

As these papers are of a pure
scientific character & contain
no matter in any way
reflecting on a connected with

Government policy.

I shall be much obliged
if you will sanction the same.

I have the honor to
be Sir,

Your obedient servant

Wm J. Pomeroy M.B.E.
Entomologist.

Under Secretary
of State for the Colonies & Miscellaneous Dept
