5 AUG 14

Reynolds,  
1811 R. V.

LAKE STEAMER OF ICERS

1914

Has received verbal information that all R.N.R. officers have been ordered to Mombasa to hold themselves at the disposal of Admiralty. Submits observations as to arrangements for running steamers. Suggests opportunity be taken to alter for oil fuel etc. Thinks Mr Fulton should be encouraged if he has passed Masters examination. Engineers whose services are not required should be sent home on leave.

W. Read  
Lt. B. H. H. H. H.

(200 31140/14)

With concurrence of the Admiralty, we have informed the Gov. by telegram that the East R.N.R. officers will not be required by the Admiralty, so that all those on the Pt who were not before sent to Mombasa will by now have resumed duty on L. Victoria.

In the a/c. we need take no action on Lt. Reynolds' letter except to act except

by European engineers and  
The chief point I wish to draw  
attention to is the opportunity this  
of raising the ships up for  
installation of oil fuel and  
accommodation to passengers.

The material is on hand - agreed  
with the engineers of the  
on the ships I believe there should  
be no expense.

Time to be spent on each  
for that work & estimate  
from three to four months  
I sincerely trust that there  
opportunities, when ordinary repairs  
but will necessarily be at  
least will, will be a  
benefit of.

If there are any impediments  
proceeding to, I would be  
in a space and make the  
and you cannot suggest that  
might be an economy to all out  
proceed to England on the

I have the pleasure to be,
