The Under Secretary of State,
Colonial Office,
S.W.1.

43

Sir,

My Directors would be glad to learn whether, if the Company were prepared to acquire its own trucks for use on the Uganda Railway, the Railway authorities would sanction the use on the Railway of such privately owned trucks.

My Directors imagine that such an arrangement would conduce to the speeding-up of traffic on the Railway.

I am, Sir,

Your obedient Servant,

Secretary.
