Could you possibly see your way to give me some
 idea of what the authorities may wish, as all I can say
 at present when asked is that we can know
 nothing for 2 months.

The S^{rs} of the Colonies has spent a great deal of money in the
 country - and there are now some 400-500 shareholders
 some of them very anxious to know the position
 you propose that I should call at the Colonial Office I shall
 be glad to do so.
