Proceedings of Medical Board

A Medical Board composed as under, assembled at Nairobi on the 13th of March 1914, for the purpose of reporting on the state of health of Captain H. Brian Brooke R.A.T.C.

- President..... R. G. Turner Lieut-Col. I.M.S.
 Members { Major Stiles Webb I.M.S.
 Captain J. M. Mackinnon E.A.M.S.

The Board having assembled proceeded to read the report of Major Gilke R.A.M.S. and to examine Captain Brooke.

The Medical history indicates exhaustion by a tropical climate, which the loss of weight, shakiness and insomnia confirm. His blood count is not a normal one. Exposure to the sun brings fever and exhaustion. The Board are of opinion that Captain Brian Brooke is unfit for active service in tropical regions and recommend him for four months leave to England.
