Then we must try to find a
man here? I understand that in the
case of W. Africa, the C.A. have been
asked to recommend someone. Ask
to do the same for E. Africa.
Thinking at that the work will be
much less than in W. Africa & saying
that the remuneration sh^d not, in W.
Hannout's opinion, exceed £70 a
month (in the case of W. Africa, something
£100 a month is being offered), with
the class jumps to & from E. Afr.:
I assume that the cost of the
liquidator

liquidation will be covered from
the assets of the firms liquidated.

The CA sh^d be asked to
deal with the matter as quickly
as possible.

This seems inevitable, but if
we can (as I agree we can)
charge the cost to the firms
affected, we need not mind.

In this connexion Cf. 102400
Gold Coast below - I think
the expense of the expert shown
it is proposed to send out
to W.A. will be borne out
of the assets of the liquidated
firms too.

In addition to the ~~action~~
proposed we might perhaps

? Tel Nyrstaland explaining
that we propose to send
out a liquidator for
year to EdP & asking
whether they desire
to take advantage
of this remuneration
being paid out of assets

of liquidated firms
