

As to the point about the  
Saving clause, I indicated  
Mr. H.C. verbally to add  
this clause, but we  
had better confirm this  
in writing, calling attention  
to the point of spelling  
mentioned by Mr.  
Bottomley & asking them  
to submit the SPA  
general lease to us  
for final approval  
before sending it to  
Solicitors on this  
other side. We can also  
approve the SPA on 2/15/50.

Mr. Bottomley

You called my attention

lease on 21150 which I  
am sorry to say I had  
overlooked

[See 18524]

I have been through this  
now & find that, with  
the exception of <sup>the first</sup> para. of  
the second part of the first  
Schedule, it comes out  
instructions

I have altered the second  
copy, in red ink & also  
amended the words which  
S. ~~Q~~ had inserted in  
cl. 9 to meet our suggestion  
as to the saving of  
water rights.

I have amended your  
draft accordingly
