Report to Italy & France

may exploration of range to Italy & of
range and ground route to France, if
permitted?

28 Sept 15
Captains [unclear] 29 Sept 15 B.
D.D.

B. Davis J. Anderson

(1) Davis is not here today as I expected
so I don't like to keep this longer.)

(2) Range. Mr. Ross of B.I. says
no shot was taken here - and
that the way to Italy is to obtain
papers from East Afr. to France
Italy

to it. Letters however, rather France
to Italy, took East Afr. range
1915. (See W. 32 of the 2nd 1915)

(2) Ground route already permitted
to Italy by Commission (26815)

and France in 1913 took route
1/2 of the route (see W 34 937)

See subsequent paper

I can't think that there would be
any objection to allowing export
to France.

I should telegraph

your telegram of 23 Sept

no objection
