3. p.m.

29. Governor of German East Africa enquires whether article 3 Chap. II Hague Convention 1907 will be applied to

I replied Article quoted does not refer to a coast under blockade no exemption from capture with regard to enemy's ships will be considered.

Consider that as practically all traffic on blockaded coast is dhow, to render blockade effective every enemy ship of whatever description should be captured.

Request confirmation.

To S.M.O., East Africa: WEYMOUTH, Zanzibar.

2/8/15.

10.

Your decision is confirmed.

Inform S.-I.-C., Cape, of arrival of GOLLATH.
