Tre's copy of letter from the Treasurer, E.A.P., giving list of those employed locally and asks if men were called up or mobilized or whether they have voluntarily joined local forces raised at the expense of the Colony.

(In Addressee to Recd)

It would have been more convenient if the correspondence had been carried on through us.

I have no doubt that all these people volunteered for active service in the outbreak of war. But we are not in a position to say definitely of who should send copy of wo. letter to Gov. and ask him for the answer to the question, wo. being told that he is being

to be identified - without any research - as  
civil officials (Rikau & Adams - Army  
Dept., Stanley, Medical Dept, for example)  
and are either only technically or worse - though  
this Dept. having been militarized or, if  
actually fighting, most surely so, owing  
to addition to pay of rank, the balance of  
civil salary as is done at home.

? Gov. should also be asked to state, in the  
case of Govt. officials, how pay of rank  
& total subsistence allowances, &c. is being

paid. What we are doing we should say  
~~that~~ that we of course are Govt. officials  
and are necessarily a receipt of total  
subsistence, ordinarily a receipt of pay of  
rank & that if, as some appear, these  
payments have been made before the war  
there was no reason why they should  
not be continued. Copy of letter to Gov.

the names on the list  
forwarded by the Treasury  
are those of Govt. Officials

considerably in excess of  
the pay of their military
