Mr. Bristol seems a bit of a  
body who suggestion does not  
seem a very practical one in any  
case. I presume that nothing is  
known yet of any arrangements: &  
but even if plans are represented,  
I shall not take such a form.

Dear Sir,

I am desired by Mr. Amery to acknowledge the receipt of your telegram and letter of the 21st November, in which you suggested that a detachment of Kenya Police now on leave should represent Kenya at the funeral of the late Queen Alexandra. Your suggestion has been considered, but Mr. Amery regrets that it has been found impracticable to give effect to it.

Yours very truly,

A. E.
