Sir,

I please You me to inform of the possibility to return to East-Africa. I was working since 1912 as planter here, and now we have peace, I was very pleased to You, if You give me the permission. I was farmer in the Kismatels not also in the coffee-culture. The permission of me and my family can give a English counsel now. We may hope.

Sir, in formerly times it was possible to work in English plantations as planter and now, why not? — Perhaps can You me give a address to work for an English plantation, I need also an engagement. — I please your answer. — I have the age of 35 years and I am in good health like my wife.

I have the honour to be
