DIOCESE IN EAST AFRICA

Asks for information as to any re-arrangement.

Chief Clerk

Alfred 10/11/20

The Address

I suspect that the Clerk is trying to make trouble concerning if we draw an admission from the States will serve its purpose.

I can find no information that we were concerned in the procedure for forming an ecclesiastical Province in the Colonies and, if the Bishop agrees, we might reply that so far as the Dept is aware the consent of the Crown for the formation of a Province of the Anglican Communion

to embrace the dioceses named is not necessary, that the relation of the

Bishops of those dioceses to the Archbishop
of Canterbury is not a matter which
concerns the Secretary of State
and suggest that the same
should be discussed with the Archbishop
Legal Secretary

Mr. Baly

The G.C. of letters concern
dioceses & not parishes, but I think they
are in point. I cannot doubt that Mr.
Scott is right. It would be an undesirable
position otherwise.

Mr. G. Smith

I sh^d prefer simply to refer them
in the first place to the Archbishops
bishops' meeting, and then if any
further considerations can
arise in consultation with the Sec
(I do not like general questions
about the Crown)
