1. May we have authority to reply to O.A.G.'s Telegram on 17195/20 telling him to frame budget on lines suggested for revision of S.P.S. ? An early reply must be sent.

2. As to 17180/20, I think that the new bill for inland revenue that became law will probably be introduced in East this year - enclose copy of bill in 20267/20

requires staff as in 17/8/20

i.e. 1 Dept. & 2 Assis., one of  
whom if possible must have  
Indian experience. One of  
Board can recommend well

also) for period not exceeding  
3 years - if so, what <sup>is</sup> salaries

That is the only way

I want to see Mr. H. H. H. at H. O. of I.  
today. They want to help, but  
they cannot give <sup>us</sup> a man from the  
staff within as Sept. or Assistant  
As to Sept. they suggest Mr. J. Walsh  
(31 Alexandra Rd., Wimbledon)

recently retired (aged 62, but  
Mr. H. H. H. says he is very fit,  
young for age & not "groovy") -  
Mr. Walsh is also being 'considered'  
by I. O. for temporary employment  
in India, but we really prefer  
C.A. Salary cannot get us  
stated: we had have to make  
our terms, but for India he  
asked, I gathered, about £100 p.

add: to his  
C. S. Pension

Mr. Walsh will be at I. O. next  
Monday for an interview, I suggest  
he should come on here afterwards  
I'll see you (a ? Mr. H. H. H.)

As to Assistant, there is no  
hope, but Mr. H. H. H. is gladly  
give intensive training to men  
if we could send them there

Training will be 3 to 6 months.

(1) and Mr. Walsh to call  
over — on Monday afternoon  
saying that Bd I.R. have  
suggested that he might wish  
to be considered for temporary  
employment in Encl. as Dept.  
to organize new in come tax  
collection -

(2) tel. to Encl. that we hope to  
obtain a Dept. but that it is  
not possible for Bd I.R. to second  
downwards owing to great  
shortage of trained staff, but  
we gladly give intensive training  
to Encl. downwards or other  
suitable <sup>part</sup> officers whom Prot. Govt.  
nominated - such a letter  
only. ~~can~~ will recommend for  
such special training ~~and~~ two  
suitable officials now on leave  
or about to come on leave:

Mr. Walsh

I have seen Mr. Walsh, who is  
containing very little active physically  
& himself and showed I think he  
is suitable for the work which he  
is willing to undertake for a  
stipend of 1200 florins a month (on  
the understanding that his home pension  
will not be treated) for however, a  
ordinary leave.

This is more than the local Govt.  
have offered they would have to pay, but  
as we can't get a permanent staff  
we must expect to pay extra for a  
man who will be able to get things  
going on broken lines.

I do not think we can do better than  
take Mr. Walsh, of the H.A. and  
know him (I have given him a letter  
to Sir J. Rose Bradford to save time -  
I also sent him a copy of the Income Tax  
Bill).

It is impossible to judge how long  
the work will take as so much  
depends on the staff which can be  
leased at his disposal.

I answer your letter <sup>Gov</sup> 17/9/1920.

April I have the honour to state that  
am still of opinion that the new

the East Africa Protectorate.

The difficulties enumerated by  
the officer administering the  
Government were anticipated as  
long ago as last September and  
steps should have been taken to overcome them
