GERMAN RAILWAY SLEEPERS AT KILINDINI.

States sleepers are of metre gauge but unsuitable for heavier rail used by Uganda Railway.

on previous Paper

9027

See 8. Page

Be sure that the Germans and my light sleepers on the Tanganyika Railway.

I am reluctant to give up any possibility of getting more material at reasonable price and I think that

some of the sleepers should be

used for the purpose of

the railway and I think that

it would be better to use

the sleepers for the purpose of

the railway and I think that

it would be better to use

So proceed - as this talk with Mr. Byatt by tel. that we understand that these sleepers are at Kilindini & that he will

see how much sleepers
