MINUTES

1. The S.O. was adopted on 5/20/22, so  
no final motion is necessary.
2. Mr. Powell has submitted for our  
CA. advised this is a novelty but if  
prohibition removed. This led for to  
the Co. Library also say that copies were  
to be received there.

I am not clear whether what the  
Library got was the Report & the  
Evidence, but in any case it is  
obvious that one will be having the  
the Evidence was available and  
due to mistake.

As I have not heard of this yet, I  
wonder if it can be said that it was  
ours.

It was thought that they would forward you copies, but as they have not done so, I now enclose two copies for your information and record.
