Sir H. Harpur  
to be forwarded

I agree with this order : Harpur is clearly the man - but there is the difficulty of leave - see 1992/20

? Ref. to N zamindar art  
in off. letters do you think  
a case in Agents but  
that that leave is necessary  
first over if he can  
easily or without a D.P.W.  
for several more months

or all over of his time and  
so you and the Comptroller  
will have to go to

them:-

This order: Milner is off  
to India - but it is the  
Government of Cawnpore so  
I understand that  
he is to go there in  
January.  
  
Milner's leave is taken  
and most of his con-  
tract is at a D.P.W.  
for several more months  
so above the minimum and  
will be paid him accordingly  
on his return. Last 20.1.20
