

Munro's report on pro-  
fit in said to allow  
for minimum to min.  
any other time (id. is not  
clear how) and it is  
suggested that he is more  
suitable for work in a  
district than in a  
township.

We suggest the following  
action.

(1) A l.t. to Kenge in  
reply to 42501 :-

Your l.t. of 24 August -

Offer appointments as

P.M.O. vice Wilson

and Chell to Williams

and Maney promotion

to take effect so as to

prevent order of precedence

(see below for additions)

(2) A l.t. to Uganda

Offer Macmillan

as P.M.O.

Nigerland of the same

should advise Nigerland

8 November. Telegraph reply.

(3) Write to J. Munro  
who is on leave till the  
end of Dec. offering <sup>him</sup> the  
post of S.M.O. in T.T., pro-  
-vision to take effect  
from date of his departure.  
He will be required to  
start on Nov 29 - carrying  
forward his unexpired  
Kenge leave.

We can reply to the  
Nigerland dispatch 30591  
when we get a reply  
from Uganda to (2)  
above: and to 34845 <sup>T.T.</sup> 23  
when we have a reply to No 3  
[Action should be taken  
on this paper - and replies  
required in this series.  
Action should be noted on  
the pp to which this  
one relates.]

I will add to Kenge l.t.

Telegraph of acceptance

when I will endeavour

to

to obtain two new  
medical Officers to  
fill their places.

Otherwise I agree.  
[VF can await reply]

I agree to action
