ADMINISTRATIVE DEPT PROMOTIONS

Trans list of dates from which they take effect

noted on files

I think it may be assumed that the Probant has taken steps to make the necessary salary adjustment.

The only action required is I think to note all the dates on the files and to

send a copy of the despatch to C.A. for info and guidance, saying that the promotion is to the post of District Commissioner in each case.

Please see your minutes on No 26 of Feb 3026
(W. Adams), also the Botany, in view of which
it would seem undesirable to revise the dates of
the second list of promotions in this despatch. Indeed
they should probably have remained as they are
shown in the current staff list.

As regards the first list in this despatch,
on the analogy of your minutes referred to above,
the promotion of Fildes, Leighton, Baker &
Brook should not take effect before 11 Jan 1919,
the date of the formation of the junior Lt. Col.
Rank.

W. Adams

I am inclined to leave this alone,
in spite of the different arrangements
in Uganda - It will probably
cause confusion if we try to
vary the dates now that they
have been published.

W. Adams as proposed.

I think we shall have confusion
anyway - but let us not raise
