In connection with the vacancy for a Clerk in the
Medical Department of East Africa Protectorate, we enclose
the papers of a Mr. A.B.W. Webb, a candidate for this
appointment.

Mr. Webb has been interviewed and appears to us to
be fully qualified for the post, but he is eight months below
the minimum age limit laid down for these appointments in
the East Africa Protectorate.

May we proceed with his engagement, subject to Medical
examination?

Mr. Parkinson

He seems quite all right except that
he was only 41 in Feb.

I think this might be waived

if the M.A. passes him.

Tell C.A. to engage subject to

med exam at which special attention

should be paid to the question of age

Must call Mr. [Name]
