MEMORANDUM from the Governor of Jamaica to the Secretary of State for the Colonies.

Dated 20th November.

(Received Colonial Office 8.30 a.m., 20th November, 1920)

20th November my despatch 11st October 1919
Telegraph whether appointment approved as hope to obtain highly qualified candidate for this officers locally. Coffee officer should have undergone training in agriculture agricultural science as well as experience of culture treatment of coffee must be pure European. Believe French now in England. If he cannot make recommendations suggest you should consult Director of Agriculture Jamaica Imperial Commissioner of Agriculture of West Indies, Grenada.
