Asst Railway Storekeeper

You tel. 4 May. Office has come under ordinary leave rules. Provident fund clause not required.

Mr Butler

Has been as I thought

? he should cancel our letter of 30 April
If he has already told him to take
no action in it / and write as in
last letter

[he has been asked for his views
on the subject, and he has been
instructed to give his views on the
subject in writing in passing notes
to the Director. It is now usual to
ask for his views on the subject in
writing.]

Mr Butler - 27 - 1912 - 12842

an officer is ultimately to be held
for his to be accountable for his actions
accountability for his to be for the
accountability for 3 years. I should like
to discuss the matter with Mr. Cume when
he comes in here.

Mr Butler

I have spoken to Mr Cume &
would much prefer that in all cases
whether the officer is ultimately to be
held responsible or not, he should
be engaged on the first instance in
agreement. The General Manager has
a bigger lot to deal with than if he
is in agreement, and it is easier
to deal with the lot of the

& the
before of
to present

accounted by the person, even if
the appointment is not satisfactory.
As to the form of agreement, Mr Cume
agreed that the ordinary class
agreement ~~should~~ (which is best) should
be used for the first 3 years in the
should be employed in the case of
all inferior officers, & that the form
of agreement lately agreed upon for
clerks should be employed for all
subordinate officers
