APPLICATION FOR EMPLOYMENT

The Applicant is not known personally.

Private Secretary

Mr. Butler

The name of the applicant is not known to me. I am concerned that the records of the kind for which he appears to be suitable are of rare occurrence. There is a large number of candidates of his kind in England. I have deposited a number of his papers with Mr. H. in the office of the A. P. S. for personal reference.

I did know Mr. H. applied for some thing. Mr. H. is a person that Mr. H. for some time had been to some extent. Mr. H. for some time.

I certify that Victor Henry van Breda was employed in the business of my firm for about five and a half years including the period during which he was under articles. I found him honest and obliging and gentlemanly in his conduct and bearing.

This is to certify that I have known Victor Henry van Breda for many years, that he is of good family, is gentlemanly in his behaviour, sober and trustworthy, and has hitherto led an exemplary life. I have no hesitation in recommending him for appointment to any position of trust.

He has passed his examinations and has been admitted as an Attorney and Notary of the Supreme-Court, but through the over-crowding of that profession and the dearth of suitable openings he has elected to take employment in another capacity.
