Agreement with Nat. Bank of India

Enquires whether a formal agreement is required for effecting proposed amendt. of clause 16, or whether an exchange of letters would be sufficient.

~~Mr. Tompkins~~
Sir G. Fiddes.

See Sir R. Antrobus' l^{tr} attached to 27661. A formal agreement seems to be ~~scarcely~~ required for this small amendt.
Reply that an exchange of letters ~~will~~ be sufficient?

I am afraid that if any importance is attached to this alteration it must be made under seal - otherwise we shall not be able to enforce s. 16. If the Bank fails to keep a branch at Nairobi, there can be no variation of a document under seal (as this is a further) except by another document
