BRITISH EAST AFRICA AND SIERRA LEONE COURTS

Sends accounts of expenditure from the two grants of £100. Asks that C.A. may be instructed to refund to the Imperial Institute the amounts actually expended.

W. Biddle as to East -

The Treasury were not consulted about the East expⁿ in 1906. It was then proposed to meet the cost from savings. If it is possible to meet the expⁿ of £79 from savings this year, there will, I suppose, be no need to go to the Treasury about this item separately.

I just send a copy of this letter without parts marked x, together with the first enc. to East with ref.

to disp. in 1906/06 - + enquire whether the £79 can be met from

from savings - adding that the
of a bill in that case be authorized
to pay the claim, [unless only
has any objection to make.]

[The map seems rather expensive
but it is really too late to criticize
the details.]

So proceed.

It is very difficult to keep the
Director on the rails with regard to
expenditure at the Imperial Institute
authorized from the funds of the East
African Provinces.

I can find any trace of the vote referred to in the
S. Leone Estimates for 1906, 1907, or 1908, unless it is the £100 in
1907 provided for "Collecting specimens for the I.I." In 1907 the grant to the
I.I. was raised to £200 in accordance with the circular of

31/7/06, but that does not seem to meet the case of this
expenditure.

? Send a copy (omitting the S.A.P. parts) to S. Leone &
ask whether there is any objection to the C.A. being instructed
to pay.

Sir,

I have the honour to attach Statements of expenditure incurred by the Imperial Institute on the equipment of (a) the British East Africa Court and (b) the Sierra Leone Court.

Authority was given under C.O. letter No. 10867/1906 of the 6th April 1906 to incur such expenditure up to £100 on the British East Africa Court in connection with the arrangement of exhibits received from the Liverpool Exhibition.

In the case of Sierra Leone, Sir L. Probyn, who was then Governor of that Colony, informed me in a letter dated 5th April 1907 that £100 was provided on the Estimates, and that expenditure within that sum might be incurred on the equipment of the Sierra Leone Court.

These accounts have been held in suspense in the books of the Imperial Institute and the Colonial Office, and expenditure has from time to time been debited against these special grants in the Imperial Institute accounts rendered quarterly to the Board of Trade and the Colonial Office, respectively.

From

The Under Secretary of State,
Colonial Office, S.W.

From informal enquiries it appears that no part of this expenditure has been recovered from the Crown Agents for the Colonies. I have the honour to request that, under the circumstances, instructions may, if possible, be issued to the Crown Agents to refund to the Imperial Institute the amounts actually expended.

I have the honour to be,

Sir,

Your obedient Servant,
