On one enquiry from the Governor E. Afr.
 when we were asked to issue the usual
 50 copies of the Annual Report of the Agricultural
 Dept. we were informed that it had not
 been printed owing to pressure of work in
 the Govt. printing office, and to unavailability
 of printing laboratory issued work in such form.
 The Governor was then informed that it was desirable
 that the work should be printed and that Mr. C. A. C.
 Agnew would be asked to have the work carried out,
 Mr. Montgomery being requested to visit his
 report with work of the Veterinary Laboratory.
 In reply to one query the number of copies
 required was 1500 will be required. This seems

 of that portion of the report which
 relates to Veterinary Pathological
 research work, the Council
 will be glad to learn whether
 you can make such alterations
 as you regard as
 being considered necessary to
 ensure it suitable for publication,
 as the report appears to be of
 value and interest, and if
 it is suitable, if possible, that
 it should be published with
 the rest of the annual report
