You tel. to Mr. J. L. Smith recommended for fifth
appl. as Asst. Engr. with fixed increment 1st fl.
Reasons that his appl. and Selas will be
pensionable. Please engage temporary engineer
as suggested.

Rev. Road.

This telegram of the Government is in reply to one sent
from this office on March 18th (vide Mr. Bottomley's
minutes of 17th March 1913 on 7679/Est and copy
of telegram of 18th with same papers).

It is quite clear from Mr. Bottomley's minutes
that the post of the fifth assistant engineer,
which the Governor proposes to offer to Mr. J. L.
Smith, is not pensionable, and in view of
this the Governor's telegram?

How can then proceed to engage a temporary
Assistant Engineer on £300 fixed?
