Anti-plague measures at Mombasa

1913

14 July

Last previous Paper

Professor Simpson strongly urges immediate engagement of his medical officers - he further urges outlay of £7000 for other staff equipment and incidental outlay. If approved the two should be put out at very earliest opportunity or engaged for 1 year. Qualifications proposed School of Public Health

20186

Sir J. Anderson

ask him how he proposes to meet the expend^{re}, saying that the S. of S. does not feel justified in asking the Treas^y to allow the expend^{re} to be met from surplus balances?

H. J. R.

15/11/13

It is expenditure for and over and on account of the various plague outbreaks which must be very damaging to the trade of the port. Urge on Treas^y on that ground approval
