in 1871/4 P.C.P. The Gov^t issued letters
 of appreciation. Mr. Chart received a pension
 from the Railway Provident Fund and a pension
 of Rs 66 from the Gov^t.
 Mr. Chart has taken a copy of this application to
 the Gov^t and is without doubt sure to be recom-
 mended for a pension. It is a most useful officer
 and he has been a most useful officer.
 Mr. Chart can hardly not have pension. His
 post was not pensionable and he has contributed
 to a Provident Fund. It is a very hard case
 however: after serving for 14 years in P. Africa
 (and before that for 23 years in India), he is
 considered at 63 years of age to be eligible
 from the Provident Fund.

I think we might write to Gov^t with ref to 1871/4
 stating that Mr. Chart has applied for

... of the ... long and
... service He ... is inclined to
... grant to him of a gratuity.
... what sum he would suggest.

COAL OFFICE

Sir

I have the honor to acknowledge the receipt of your letter of the 11th inst. in relation to the matter of the present year, and to inform you that I was invited to service by a National Coal Board of the year 1912. I have been stationed at various places, and have received a salary of £120 per annum. I have also received a gratuity of £100 on my departure. I have also received a gratuity of £100 on my departure. I have also received a gratuity of £100 on my departure.

During the whole of the year 1912 I have been stationed at various places, and have received a salary of £120 per annum. I have also received a gratuity of £100 on my departure. I have also received a gratuity of £100 on my departure. I have also received a gratuity of £100 on my departure.

I have also received a gratuity of £100 on my departure. I have also received a gratuity of £100 on my departure. I have also received a gratuity of £100 on my departure. I have also received a gratuity of £100 on my departure.

I have also received a gratuity of £100 on my departure. I have also received a gratuity of £100 on my departure. I have also received a gratuity of £100 on my departure. I have also received a gratuity of £100 on my departure.

My pay (£230 per mensem) has been small, I consider, for the responsibility of the work, and it has been impossible for me to save any money. I had paid to me £114 from the Provident Fund on my leaving, and this is every penny I possess in the world. It is impossible for me to get another job and I must rely upon the generous aid of H. M. Government in assisting me, either with

a small Pension or a gratuity: failing this, there is nothing for me but the Workhouse, and this, I venture to add, Sir, is not what is expected of any man after having served his country in the following circumstances.

I may add, Sir, to inform you that I was employed in the service in India.

I am sending a copy of the following:
The Executive of the Government of British East Africa.
The Hon. General Manager.
The Chief Clerk.

I have the honor to be,

Your most obedient humble servant,

W. P. ...

Secretary of State for the Colonies
Colonial Office
London.

The late Mr. Chitt is considered ineligible for a pension as he has not worked for a sufficient number of years and he has contributed to a provident fund.
