INQUATION No. 2

THOMAS G. LITTLEJOHN & CO.

25 RANCHURCH STREET, E.C.

11/2/19

18 Fenchurch Street

Dear Sir,  
I have the pleasure to acknowledge the receipt of your letter of the 27th inst. in relation to the proposed sale of the land in the neighbourhood of the site of the late Messrs. G. & J. G. & Co. Ltd. and in reply to inform you that the same has been referred to the Committee of the Board of Trade, and that the same is now being considered by the said Committee.

I am sorry to hear that you are unable to give up the land in question, and that you are desirous of retaining it for your own use. It is, however, the duty of the Board of Trade to see that the public interest is not prejudiced, and it is for this reason that the land in question is being sold. I am sorry that you are unable to give up the land, but it is the duty of the Board of Trade to see that the public interest is not prejudiced.

I am sorry to hear that you are unable to give up the land in question, and that you are desirous of retaining it for your own use. It is, however, the duty of the Board of Trade to see that the public interest is not prejudiced, and it is for this reason that the land in question is being sold.

Further, it is to be noted that the land in question is being sold for the purpose of the proposed sale of the land in the neighbourhood of the site of the late Messrs. G. & J. G. & Co. Ltd. and it is for this reason that the land in question is being sold. It is, however, the duty of the Board of Trade to see that the public interest is not prejudiced, and it is for this reason that the land in question is being sold.

It seems to me that the proposed sale of the land in question is a very equitable one, and that it is in the public interest that the land in question should be sold.

I have the honour to be, Sir, your obedient servant,

Yours obediently,

C. D.
