

Mr. Read

Now that we have got the
education proposals safely approved, I
think we ought to send the Board
of Education a copy of Mr. Fraser's
report & the correspondence with the
Cpt. upon it, for their information.
I was afraid to suggest this
earlier, as I feared that a
combination of the Board of Education
& the Treasury might result in
the Pt. getting no education at all.
In sending the report & correspondence
we might say that the Cpt. will be
asked to send home a list of the
approved ^{establishment} ~~posts~~, showing what posts are
filled & by whom, & what posts
remain to be filled, & indicating
in the latter case whether the posts
are to be filled locally or from home
& what qualifications are required.
And ask the Cpt. accordingly.

BOARD OF EDUCATION

WHITEHALL, LONDON, S.W.

15th July 1910.

Dear Sir,

An inquiry has been addressed to the Board of Education with regard to the appointment of teachers in British East Africa.

From the latest information in our possession it would appear that education in the Colony is entirely in the hands of Missionary Societies and it seems natural to suppose that teachers are appointed by these Societies. I should be very much obliged to you if you could tell me whether anything could usefully be added to this information and whether you would like the inquirer to be referred to the Colonial Office.

Thanking you in anticipation and apologising for the trouble to which you are being put,

I am,

Yours faithfully,

W. B. Hornell

Assistant Director of Special Inquiries
and Reports.
