Mr. Todor & Co.

Mr. Todor,

Mr. Read,

See also minute on C/27362. I think we must ask Messrs Ashurst, Morris, Crisp, and Company to send the agreement to us for inspection when it has been executed, and also to send Captain Grogan's authority to act for Mr. Goldman, in order that we may be quite sure that Captain Grogan is empowered to negotiate in respect of all the concessions involved.
