Sir,

I am in receipt of your letter (No. _____) of _____

August 7th requesting that I should Medically examine
Mr. E. P. Macmillan

and for the consideration of the Secretary of State for the Colonies report
whether in my opinion he was fit (physically) for Service
as a Magistrate in the East Africa Protectorate

In reply I beg to say I have this day Medically examined
Mr. E. P. Macmillan

and I have now the honour to report that in my opinion he is
not fit at present as he has Glycosuria,
but that if this can be cured he may be
then fit; as otherwise, he is free
from any quality of defect

Mr.

should be
need not be

vaccinated prior to embarkation.

His teeth should be attended to
need not be

I am,

Sir,

Your obedient Servant,

J. H. H. Blount M.D.
Pres. R. C. P. S.

To the Under Secretary of State,

Colonial Office,

London, S.W.

Mr. Earl

Lord Lucas

Mr. Harcourt

In answer

We are taking steps to submit another candidate in Mr. MacMullen's place

Mr. Stanger selected instead

is a receipt of your letter of the 10th of August stating that you are prepared to accept

appointment as Registrar at the Earl's ~~request~~ ^{Simultaneous} with your letter, a report ~~before you had received~~ ^{was received} ~~before you had received~~ ^{was received}

report from the Registrar stating that you are not

physically fit for the ^{at present} appointment of Registrar

Your suffering from phosopneumonia has been of such a nature that

Now, you may be sure
I'll be glad, as I shall
you are free from disputation
about

2 In these cases,
In the event of a
be a matter to confirm
your relation for the
present vacancy, and
it is most important that
a new hospital should
propose to the Govt. as
soon as possible. It
is possible however that
there may be a
vacancy for a hospital
in the East, and

In the event of a
proposal to consider you
for this appointment, if
you can submit to the
Dept. a certificate that
the subject has been
entirely considered
