Mr. Butler.

It seems to me that Mr. Clark should arrange this matter with the Company. I cannot see that the C.O. is in any way interested in him or his contract. If he is in communication with the Company he ought to rely on them, not on us, for the info which he requires.

Should reply to the effect that the S.P.S. cannot undertake to give the info, adding that the question of Mr. Clark's contract with the Company which should be settled entirely between him & the Company, that no arrangement which the completion of the contract depends on.
