Same Report. 1910-11.

Report not published locally, but one copy has been given to Mulligan for use in Conn with Handbook on Africa. Has Mulligan's address.

Mr. G. Fisher

Mr. Mulligan is not likely to put the latter dicta of the same Warden on the subject of the Masai & the former Review into his handbook, & I think that we had better let the matter drop. As a matter of fact, I think that the former's remarks are insufficient enough to refer only to the latter.
