I approve grant of pension rights to Miss Stolaru and Miss Brown.

In regard to Miss Marshall

it is my opinion that she is not entitled to a gratuity as she has not been a member of the Society for some time.

I certainly would not look at her case as a gratuity as the same may be applied to other nurses who have been absent for some time.

I.P. funds are concerned.

In reply to your despatch No. 668 of 14th November last, I have the honour to recommend that Miss Stollard, the Matron, and Miss E.R. Brown, the Senior Nurse, serving in the Protectorate, should be admitted to the Pensionable service.

2. I do not wish to make any recommendation at present in regard to the pensionable appointment of Nurse, as the remainder of the Staff are all in their first year of service.

3. I would wish however to bring to your notice the case of Miss M. [Name] who has just terminated her appointment. She had served for ten years in Cyprus, Nyasaland, the Gold Coast and here, and it seems rather hard that she should so far from the benefits of the new proposal, more...

circumstances it might be possible to award  
monthly gratuity in the amount of ten years  
to you.

I have the honour to be,

Sir,

Your humble, obedient servant,

ACTING GOVERNOR.
