T. A. S. Scheme

Has any decision been arrived at of yet  
re my proposal submitted to Sec. Col.  
Ireland is, embodying take in Supply Estimate of  
offered.

Mr. Butler

See Treasury letter of 11/9/93. Mr. Butler  
Butcher has not yet returned. I think  
that we must send a reply to the telegram  
without waiting any longer.

As far as I am concerned, the scheme is  
well intended & purposes approved.  
The conditions laid down are that there shall  
be no ultra-protection calculation of salaries  
that existing entertainment allowances shall  
be abolished (with a very few exceptions) & that  
no increment shall occur in that matter.  
I repeat that we could not possibly  
regulate the scheme in a manner  
satisfactory to us but there is not a  
difficulty. There is no doubt that we will  
concentrate on necessary reduction in increments  
in

? the safest reply will be -  
your telegram re April 10th & provision  
for J. A. S. scheme should be  
submitted to legislative Council with  
Estimates - as it has been approved  
generally. Certain points however as to increments  
have to be settled with Treasury and no payments  
new scales of salary should <sup>actually</sup> be made  
~~until~~ until you receive further  
instructions -
